

Smooth or texture wet concrete to the required finish.

Just twist the long handle and the swivel head angles the blades for pushing or pulling across the slab.

- Easy Float** C/w swivel head and 3 snap-fitting handles
- Bull Float** Lightweight magnesium alloy blade with reinforced section to prevent warping. C/w swivel and 3 snap-fitting handles
- Big Blue** Tempered 'blue' steel blade with rounded corners, c/w swivel and 3 snap-fitting handles
- Fresno Broom** Combination tool for applying a consistent brushed finish. C/w swivel and 3 snap-fitting handles
- Concrete Rake & Placer** To place concrete quickly. C/w wooden handles

Model	Width (mm)	Depth (mm)	Total handle length (m)	Head weight c/w swivel (kg)	Total handle weight (kg)
Easy Float c/w swivel	1035	200	5.4	6.5	3.6
Bull Float	1200	200	5.4	6	3.6
Big Blue	1200	300	5.4	11.1	3.6
Fresno Broom	900	220	5.4	4.8	3.6
Concrete Placer	495	115	1.4	1.5	0.5
Concrete Rake	570	130	1.4	1.5	0.5
